MORE SPACE FOR INSTRUMENTS AND CUSTOMIZATION

The Plus solution has everything that is included in the Standard, but it also has a dedicated area. Unlike the Standard, where it is possible to display products only above the table, the Plus has an area of 8 square meters in a rectangle of 4 meters by 2 that can be used with maximum freedom.

It is not possible to use the back walls (when present) to hang posters and banners, but you can install your own self-supporting structures.

Features:

- 200x70 table (not covered)
- Two chairs
- Shared electrical outlet within 5 meters from the table
